Report Nirmal Vari

Date: 30/01/2018

Objectives

1. To create awareness about cleanliness among the students and among the participants of Vari.
2. To understand the problems of varkaries and help improve the management of Vari.

Every year in the month of Jan varkaries come to visit Trimbkeshwar Nashik all the way walking. During their journey they need services like food, water, shelter. As a conscious citizen of Nashik, Its our duty to facilitate their journey. This kind of event needs lots of planning and management. Every year we come across some issues, hurdles that needs to be addressed like maintaining the cleanliness of city, provision of sanitary, toilets facilities to the varkaries at various halt stations and many more.

As a part of this “Nirmal Vari” campaign, we undertook the responsibility of creating awareness among the visitors about cleanliness, use of sanitary & toilet facilities made available and to collect information about the problems faced by them ect.

18 students and 4 faculties visited trimbkeshwar and interacted with the visitors. An effort was made to know the problems encountered by them and to create awareness about cleanliness, use of sanitary & toilet

facilities made available. Information about the problems encountered is helpful while planning for the next year.

Awareness about the cleanliness and use of sanitary & toilet facilities made available helps in maintaining the city and preventing spread of diseases.
