On a scale of 1 to 5 (highest), how do you rate the session ?

What did you like and dislike about the session?

Liked the way you presented genuinely

I like everything in the session.

Very nice and interactive session.

Content and presentation

Well prepared

The main philosophy of Amazon. Customer first. And listen Customers need.

Like interactive

Thanks For Motivation Sir 😊

Sesssion was very nice

What did you like and dislike about the session?

Nice session conducted by sir. All the answers given by sir is satisfied.

Got to know more detailing about Amazon.

Most interactive session.

Technical info. Is good. He can incorporate more video slides

It is very informative and we get a lot of knowledge through it.

Interactive session

Helpful for carrier

I like the way how sir explained everything in great manner

Session was wonderful. We really got so much knowledge about amazon. Thank you sir.

What did you like and dislike about the session?

Interaction was interactive and were qna format which hold session both way.

Interesting and motivated

Thanks for motivation

The session was very good. Thanks for the session.

Session is helpful to us.

I like about this session is ...sir given the information very throughly ...answers every question with a very useful manner...

Very interactive

Session was very good

Thanks for motivation sir

What did you like and dislike about the session?

Great communication, motivated, inspiring.

It was wonderful session . Thank you for guiding us

We all get good guidance and response from sir.i thank him
.. really good session

Session was very nice 🙏

Yes everything this is good and thanks for sharing your
views which will help us

You can wear amazon uniform

Presentation content and interaction with participants

Thank you sir

Motivational, inspiring

What did you like and dislike about the session?

I liked the information about Amazon its way of treating customer and internal way of function

This session is very motivated sir

Amezon uniform

Session was very nice Thanks for motivation sir

wonderful session.

Its a wonderful experience to attend this intractive session.
Thank you Sir

Thank for motivation

Session was very nice and helpful for us

The session was really helpful.Sir please open the option for cash on delivery, because if our grandparents are shopping on Amazon they have to our help to make the payments.
Thank you sir

What did you like and dislike about the session?

Thanks for motivation

Session was very nice. How's the Amazon run. Sir told everyone in easy languages .

Improvement- Must convert site and apps interface into a local language.

Like the way you presented by understanding the customers

Thank you sir . 👍

Interactive session

Got very honest guidance, thank you

It's great to entract with u

Helpful for care

What did you like and dislike about the session?

It was Interesting session sir.

Thanks for guidance 🌟

It was a good session

Sir please open cash on delivery option , as if we want to buy something we have to convince our parents and if we have to make online payments they don't allow us to book any thing So sir this is my request to please open cash on delivery option

Session was too good..

Report Session on Recent Trends in IT and Job Opportunities in –
“Future of Jobs”

Date 03/4/2021

“The online session on “Future of Jobs”, was organized on 3rd April 2021. The Resource person was Mr. Chintan Oza (Tech scaleup specialist | ex tata & reliance group | blockchain@oxford | strategy@ucberkeley | management@iitb | smartcities@ieee | smieee | pmp | 5g | block chain). He explained in the session the strategic technology trends for 2021, workplace trends and workforce trends in 2021. There will be a significant impact on jobs through a combination of new jobs that will be created, a section of jobs that will require significantly new technologies. He further explained that how the technology at the center stage of the enterprise, how work from anywhere can be possible and cloud is essential requirement in current situation. How do we retain organizational process and knowledge, robotic process automation? how do we adopt world class practices and knowledge, how do we have a digital edge over competition, how do we improve customer journey and experience, how do we offer true zero touch next generation self service experience, and how do we run learning and development as a continuous process, how do we reach smart factory to smart farms. The session concluded with the question answer session.

Glimpse of the Session:-

The image displays two screenshots of a Google Meet session titled "Industry Samvaad (Future of Jobs)".

Top Screenshot: Shows the initial state of the meeting. The main window displays a grid of participant avatars. The top-left corner shows a "REC" (Recording) indicator. The right sidebar shows the "People (99)" list and "Chat" options. The bottom toolbar includes controls for "Mute all", "Add people", "Host controls", "Raise hand", "Turn on captions", and "Present now".

Bottom Screenshot: Shows the same meeting after a presentation has started. The main window now displays a slide titled "Industry Samvaad (Future of Jobs)" featuring a collage of logos from various organizations, including TATA, Reliance, AIMA, IITM, and others. The top-left corner shows "Chintan Oza is presenting". The right sidebar shows the "People (101)" list. The bottom toolbar includes controls for "Raise hand", "Turn on captions", and "Chintan Oza is presenting".
