Student's feedback

Akshaya Mankar

The Shramanubhav Shibir was an unforgettable experience. It gives new insight while interacting with girls students. It is a pleasure to see that the activists of Kalyan Ashram are reaching out for rural development and community service.

Sonali Lahare

My first time was in Shramanubhav Shibir. The concept of Shramanubhav Shibir was only heard till date. It was a real experience in these two days. Going to a tribal village and experiencing the culture and lifestyle of those people. Overall the experience was great. It was also a pleasure to do something new.
